

HOW TO PLACE AN ORDER

- Orders may be placed by any of the following methods:
 - **Phone:** Call us toll free at 800-321-9321 or direct at 760-727-3711. Please have your part numbers and company information or account number on hand when calling to place an order.
 - **Fax:** For your convenience, we have enclosed an order form on the following page to copy and use for faxed orders. Purchase orders are also accepted as long as they contain all the information requested in our order form.
 - **Online:** Now you can purchase our products online 24 hours a day via our online store at <http://www.wateranywhere.com>. Log in, browse our store, and place your order by following the instructions on the page. Complete with automatic freight and tax calculation.

We have a large inventory for immediate delivery for most parts contained in this catalog. Orders placed before 2:30 will ship the same day if the product is in stock. Orders placed after 2:30 will ship the next day. If the product is not in stock, we will be happy to process a back order.
